

## INVITATION FOR QUOTATION

TEQIP-III/2018/seip/Shopping/28

30-May-2018

To,

**THE CONCERNED,**

**Sub: Invitation for Quotations for supply of Goods**

Dear Sir,

1. You are invited to submit your most competitive quotation for the following goods with item wise detailed specifications given at Annexure I,

Sr. No	Brief Description	Quantity	Delivery Period(In days)	Place of Delivery	Installation Requirement (if any)
1	e-learning in engineering	1	30	npsei pithoragrh	yes
2	GATE and Aptitude test practice software	1	30	npsei pithoragarh	yes

2. Government of India has received a credit from the International Development Association (IDA) towards the cost of the **Technical Education Quality Improvement Programme[TEQIP]-Phase III** Project and intends to apply part of the proceeds of this credit to eligible payments under the contract for which this invitation for quotations is issued.
3. Quotation,
  - 3.1 The contract shall be for the full quantity as described above.
  - 3.2 Corrections, if any, shall be made by crossing out, initialing, dating and re writing.

3.3 All duties and other levies payable by the supplier under the contract shall be included in the unit price.

3.4 Applicable taxes shall be quoted separately for all items.

3.5 The prices quoted by the bidder shall be fixed for the duration of the contract and shall not be subject to adjustment on any account.

3.6 The Prices should be quoted in Indian Rupees only.

4. Each bidder shall submit only one quotation.

5. Quotation shall remain valid for a period not less than **30** days after the last date of quotation submission.

6. Evaluation of Quotations,

The Purchaser will evaluate and compare the quotations determined to be substantially responsive i.e. which

6.1 are properly signed ; and

6.2 confirm to the terms and conditions, and specifications.

7. The Quotations would be evaluated for all items together.

8. Award of contract:

The Purchaser will award the contract to the bidder whose quotation has been determined to be substantially responsive and who has offered the lowest evaluated quotation price.

8.1 Notwithstanding the above, the Purchaser reserves the right to accept or reject any quotations and to cancel the bidding process and reject all quotations at any time prior to the award of contract.

8.2 The bidder whose bid is accepted will be notified of the award of contract by the Purchaser prior to expiration of the quotation validity period. The terms of the accepted offer shall be incorporated in the purchase order.

9. Payment shall be made in Indian Rupees as follows:

**Delivery and Installation - 0% of total cost**

**Satisfactory Acceptance - 100% of total cost**

10. All supplied items are under warranty of **12** months from the date of successful acceptance of items.
11. You are requested to provide your offer latest by **10:00** hours on **14-Jun-2018** .
12. Detailed specifications of the items are at Annexure I.
13. Training Clause (if any) **training required**
14. Testing/Installation Clause (if any) **yes**
15. Information brochures/ Product catalogue, if any must be accompanied with the quotation clearly indicating the model quoted for.
16. Sealed quotation to be submitted/ delivered at the address mentioned below,  
 NANHI PARI SEEMANT ENGINEERING INSTITUTE(Erstwhile Seemant Institute of Technology,Pithoragarh),GIC Campus,Link Road,Pithoragarh-262502
17. We look forward to receiving your quotation and thank you for your interest in this project.

(Authorized Signatory)  
 Name & Designation

### Annexure I

Sr. No	Item Name	Specifications
1	e-learning in engineering	Mechanical Engineering: Thermodynamics Machine Design Mechatronics Automobile Engineering Manufacturing Process Theory of Machine Refrigeration & Air Conditioning Electrical Engineering: Modern Control System Electrical Machines Electrical Circuits and Networking Measurement & Instrumentation Power System Switch Gear and Protection Power Electronics Electronics Engineering: Communication System Electronics Materials and Components Signals and Sensors Microprocessor & Micro controller Mechatronics Electronic Devices and Circuits. PLC and automation Civil Engineering: Surveying-I Hydraulics Transportation Engineering (Highway,Airport etc.) Estimation & Cost Environmental Engineering Computer/IT Engineering. Computer Organization. Computer Graphics Operating

		System Artificial Intelligence & Expert System
2	GATE and Aptitude test practice software	<p>Being a proprietary item you can directly purchase from us. We will install it on your server and also train your staff and students. The software is developed by us hence does not require tendering or comparison. There are no agents or dealers appointed by us. We have Proprietary certificate attested and notarized by Advocate of High court Govt of India 17 years GATE question paper sets and more than 2500 questions of each branch of engineering will be installed on college server. There are Tests in core Aptitude test/e-assessment software per branch of subjects that are subject wise or topic wise and also test in General Aptitude Test. GATE Practice software, General Aptitude &amp; e-assessment tests software for students to practice for GATE and other online examinations, campus recruitment ...etc in an online environment. The student can practice on any computer connected to the server in the college premises. It is unlimited users for unlimited years. The unique feature is we are offering it on LAN. It is one-time payment and perpetual/permanent license.. We install the software on LAN server of college for unlimited users so it becomes your property and remains in your premises. Please note that it is not offered as cloud service or from our server with yearly rent or taking money from the students. The student has to attempt question paper within the time limit as per GATE rules. The software generates the score automatically. This helps students to keep track of time &amp; negative marks in an online like environment. Questions will be shuffled within the same question paper for practice and it generates new question paper. The software generates pie chart of student's attempts and score in various attempts indicating improvement after practice. The software indicates answers and explanations after the end of exam. It helps students to learn and understand the basic concepts. Professors can set min 30 questions and create a mock test paper. Professors can add their own questions in the software. Facility for level of question like hard easy can be indicated. ADMIN,USER Login /logout User management time, User PC details, User registration, Department wise Utilization Reports, User wise Login count. Upgrades will be provided every six months. Internet is not needed but if the college decides to make it online then they can host it on their web site .Students have to create their login user name and</p>

		<p>password and start using the software. Results are displayed in Graphical form. This report will be about usage of software by students and staff. We are providing scientific calculator as per online tests. Professors can create test adjusting timer, score and number of questions and can take weekly tests of the students. Students can also use the practice tests for self-study since answers and explanations are available. Our software can be used rfor partially meeting course objectives as required by National Board of Accreditation. Student wise score reports generated by the software can be used as assessment results to set the matrix of course outcome versus program outcome. Our software will serve as an assessment tool that will enable evaluation of attainment of Course and program outcome. Scores will be immediately obtained and results will be known instantly. e-assessment of students by creating and conducting weekly/mid-sem /internal tests. Student wise score reports and pie charts, line graphs generated by the software can be used as assessment results to set the matrix of course outcome versus program outcome.. There is graphical display of student's scores and various reports are generated in our software that can be transferred to MS Excel. Our software is a tool for evaluation of attainment of course outcome. By getting scores immediately professor saves time in checking answer sheets and transferring scores to excel for further process. Institute can put one common password for all students. We are providing print facility for reports. By exporting reports to excel you can sort and generate class wise reports and graphs. Core engineering tests are discipline wise topics having multiple choice questions that will be used for e-assessment and weekly tests. List of topics in each discipline is enclosed separately. The upgrades will have multiple choice questions added to the topics. The number of questions will go on increasing with every upgrade. General aptitude has multiple choice questions that are asked during placements as well as in competitive examinations like multiple choice questions on data interpretation, verbal and non-verbal reasoning, arithmetic reasoning, puzzles ,logic... etc</p>
